

Hair Falls

"I tried Ayer's Hair Vigor to stop my hair from falling. One-half a bottle cured me."
J. C. Baxter, Braidwood, Ill.

Ayer's Hair Vigor is certainly the most economical preparation of its kind on the market. A little of it goes a long way. It doesn't take much of it to stop falling of the hair, make the hair grow, and restore color to gray hair.

Lightning caused a conflagration that destroyed \$150,000 worth of horses and fully \$200,000 worth of property at the great Hamburg stud farm of John E. Madden, near Lexington, Ky., Wednesday.

There were over 50 horses in the barn, which had 60 stalls, and was the finest barn ever built for horses in Kentucky.

Imported Mirthful was among the animals that perished. He ranked as one of the world's greatest horses and was regarded as one of the most phenomenal sires of the present age.

The loss on Mirthful and the other horses destroyed is complete, as no insurance was carried on them.

POPE LEO

Passes Away After an Illness of Three Weeks.

Death Lays Claim to Head of the Catholic Church.

Rome, July 21.—Pope Leo XIII. died at 4 o'clock yesterday after an illness lasting over a week. Death occurred through exhaustion, according to Dr. Lapponi, though to the last the Pontiff's wonderful will power asserted itself. Around the bedside were the physicians, the Pope's nephew and all of the cardinals in Rome. Though his holiness suffered intense pain his last words were benedictions on those at the bedside.

Leo made a supreme effort to gather together all his energies.

He succeeded in recognizing those about him by the sound of their voices, as his sight was almost entirely lost. Still he made a marvelous display of his energy, and even his death was really grand. It was resigned, calm and serene.

Very few examples can be given for a man of such advanced age, after so exhaustive an illness showing such supreme courage in dying.

The body of Pope Leo was today embalmed, and last night it laid in the hall of the throne room, near the death chamber. Impressive ceremonies over the body were held in the morning by the cardinal.

The diplomatic body in Rome will to day pay their tribute of respect, and the remains will lie in state in St. Peter's for the benefit of the public for three days, beginning Friday morning. Bells in the 400 churches of Rome tolled for one hour last night, and the noteworthy demonstration of respect will be repeated nightly until the funeral services are over. The late Pontiff is said to have left a private fortune valued at \$17,000,000.

The sacred college of cardinals which will elect Leo XIII.'s successor is now composed of sixty-four members. When the college is full its total membership is seventy. Twenty-five of the cardinals live in Rome, and form the Roman curia, so often mentioned. A majority of the cardinals are of Italian birth.

There are three orders in the sacred college—bishops, priests and deacons. But these orders belong exclusively to the college, and have nothing to do with the dignity of the cardinal held out side the college. For example, Archbishop Gibbons, of Baltimore, is in the college a priest. There are six cardinal bishops when all the offices are filled.

Saved From Terrible Death.

The family of Mrs. M. L. Bobbitt, of Bargerton, Tenn., saw her dying and were powerless to save her. The most skillful physicians and every remedy used, failed, while consumption was slowly but surely taking her life. In this terrible hour Dr. King's New Discovery for consumption turned despair into joy. The first bottle brought immediate relief and its continued use completely cured her. It's the most certain cure in the world for all throat and lung trouble.

PROFITS FOR CHARITY.

Prosecution Dropped When the Fact Was Made Known.

Paducah, Ky., July 21.—The baseball association here has adopted a new rule. It gives the profits of the Sunday baseball game to charity, and when warrants were issued today and the case tried before a magistrate it was decided that, as the game was played for charity, no law had been violated.

CHEMICAL ANALYSIS

Reveals That "Pe-ru-na is Calculated to Tone up the System, Restore the Functions and Procure Health."

SO SAYS PROF. L. J. MILLER, CHEMIST.

PROF. L. J. MILLER.

Prof. L. J. Miller, late Professor of Chemistry and Botany of the High School of Ypsilanti, Mich., writes from 327 N. Clark Street, Chicago, Ill., as follows:

"As several of my friends have spoken to me of the favorable results obtained through the use of Peruna, especially in cases of catarrh, I examined it most thoroughly to learn its contents.

"I found it composed of extracts of herbs and barks of most valuable medicinal qualities combined with other ingredients, delicately balanced, calculated to tone up the system, restore the functions and procure health.

"I consider Peruna one of the most skillfully and scientifically prepared medicines, which the public can use with safety and success."—PROF. L. J. MILLER.

BEST OF ALL TRIPS.

An Excellent Opportunity to Visit the Sea Coast.

To the pleasure seeker and the overworked, in fact, to the traveling public in general, Old Point Comfort presents all the varied attractions and comforts that go to make up an ideal summer resort, and without doubt is the Queen of American pleasure resorts.

To enable the public of this section to indulge in another trip to the seashore and return to their vocations at the end of the heated term instead of in the midst of the torrid weather, the popular Chesapeake and Ohio railroad has arranged a personally conducted excursion to leave Tuesday, Aug. 18, at small cost. Round trip tickets will be sold from Hopkinsville and other points in Western Kentucky and portions of Tennessee for regular trains arriving in Louisville on the morning of the 18th, in time to catch the special train, which leaves that city at 1:30 p. m. that day.

Pullman sleepers will be provided for those who desire them, to run from Louisville to Old Point without change. In the past the C. & O. railway has attained great success with the Old Point excursions, by reason of the untiring efforts to provide every feature necessary to promote the comfort and enjoyment of patrons. This route, too, presents the attractive feature of stop-over returning, and the scenery en route is most varied and picturesque. Taking it altogether this excursion is the most desirable offered this season from this section and the indications are that the crowd this time will be one of the largest that ever took this most pleasant of all trips to the Atlantic coast.

GREAT RACING.

At The Guthrie and Madisonville Fairs this year.

The indications are that the finest race ever seen in Western Kentucky will be called off at the Fair at Guthrie and Madisonville. The two Fairs are run by the same management and comes before any of the Fairs are started and as a result all the horsemen will flock to these Fairs. There are already about 40 horses at Guthrie and a whole lot coming in daily. All these horses will come from Guthrie to Madisonville and our people may prepare to see some fine sport in the racing contests.—Hustler.

"Builds up the System."

Hon. Joseph E. Ridgeway, Secretary of the American Anti-Treat Society, writes the following letter from the Grand Central Hotel, St. Paul, Minn.:

"It is with great pleasure that I endorse Peruna as an honest medicine, competent to do all it claims. I have used it several times and know of nothing that cures so completely, and at the same time builds up the system.

"I have recommended it to a number of my friends and always feel that I do them a service for I know how satisfactory the results invariably are. I only wish every family had a bottle—it would save much sickness and doctor bills."—Joseph E. Ridgeway.

Joseph Ridgeway.

"Feel Better Than for Five Years."

Mr. James B. Taylor, Roberts, Ind., writes:

"I am at the present time entirely well. I can eat anything I ever could. I took five bottles of Peruna, and feel better now than I have for five years. I have doctored with other doctors off and on for fifteen years, so I can recommend your medicine very highly for stomach troubles. I take great pleasure in thanking you for your free advice and Peruna."—James B. Taylor.

"I Enjoy my Meals as I Used to."

Mr. J. W. Pritchard, Wolf Lake, Ind., writes:

"I am pleased to say that I have been cured of catarrh of the stomach by Peruna. I could hardly eat anything that agreed with me. Before I would get half through my meal my stomach would fill with gas causing me much distress and unpleasant feelings for an hour or two after each meal. But, thanks to your Peruna, I am now completely cured, and can eat anything I want to without any of the distressing symptoms. I can now enjoy my meals as I used to do, and it is all due to Dr. Hartman and his wonderful medicine, Peruna.

"It has been one year since I was cured, and I am all O. K. yet, so I know I am cured."—J. W. Pritchard.

Dyspepsia is a very common phase of summer catarrh. A remedy that will cure catarrh of one location will cure it anywhere. Peruna cures catarrh wherever located. That it is a prompt and permanent cure for catarrh of the stomach the above letters testify.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

BAD DIGESTION

Imperfect digestion is more serious and far-reaching in its effect than is generally understood. This state of health is like an open gateway to disease because germs that may be in the air we breathe at once seize such an opportunity to attack the vital organs. They slowly undermine the strength and energy, and a collapse comes—usually at a time when a strong healthy body is most needed.

PRICKLY ASH BITTERS

Is a fine regulating tonic which filters through the body, casting out injurious matter, stimulating the digestion and nourishing and strengthening every weakened part. It also purifies the blood, sharpens the appetite and creates energy. In this way it restores the system to perfect order.

For irregular bowel movements, chronic constipation, flatulence, belching, foul breath, and other troubles due to indigestion or obstruction in the bowels, Prickly Ash Bitters is a speedy cure.
